

Blue Springs Parks & Recreation Department offers its

"Chipping of the Green" *Christmas Tree Recycling Program*

Monday, December 26th - Sunday, January 15th

Pink Hill Park

2715 Park Road, Blue Springs

8 a.m. to 6 p.m. Daily

Concerned about how to properly dispose of your Christmas tree once the holiday season is over? Don't be. Simply drop it off in the designated tree drop off area located in **Pink Hill Park's west parking lot**. Only trees with tinsel and ornaments removed will be accepted. Trees will then be chipped into a fertilizer mulch, to be used at a later date in the Blue Springs park system.

RECYCLE YOUR CARDBOARD

Don't throw all of those Christmas cardboard boxes away, **RECYCLE** them! The Pink Hill Park Recycling Center is open on Saturdays, Sundays, and Wednesdays from 8:00 a.m. to 4:00 p.m. Make plans to drop off your Christmas tree and your cardboard boxes at the same time!
