Dear Parents:

At Blue Springs Parks and Recreation, nothing is more important to us than the safety and security of your children. That's why we've chosen KidCheck as our children's check-in solution to bring you the best check-in experience and to allow us to partner with you to keep your children safe.

We go live with KidCheck on **5/26/21** for our Camp Open House. **It is important you create your account either prior or during our open house. If you cannot make it, you will need to be sure you create your KidCheck account before your child is allowed to be dropped off for our camp.**

If you haven't already created your free account, please do so by going to go.kidcheck.com and selecting "Create Your KidCheck Account". Or download the KidCheck Mobile App from the [App Store](#) or [Google Play Store](#) to create, manage, and update your account right on your mobile device.

Create your account from the comfort of home; it's simple and will only take a few minutes. Creating your account prior to the above date helps us have a smooth transition and helps your first check-in go more quickly so you can get on your way.

Once you've created your account, simply use your 10-digit phone number to check-in with us.

If you decide to create a pin, please make sure all parties with access to pick up/drop off are aware of this number. Thank you for your participation.
