On the cover:

"March with the Mayor" *Let's Move!* kick-off event on March 25 in Downtown Blue Springs.

Special thanks to the Kansas City Chiefs mascot, KC Wolf, who participated thanks to a partnership between the *Let's Move!* campaign and NFL Play 60 program.

Welcome Warmer Weather!

After a particularly harsh winter, warmer weather is a welcome change of pace. Blue Springs received a lot snow this winter and I wanted to give the fine men and women who clean and maintain our streets during these storms a public "Thank You!" I have received many emails and phone calls from Blue Springs residents complimenting our crews on a job well done.

I'm so proud that Blue Springs has become a *Let's Move!* city.

The City has partnered with StandUp Blue Springs to develop a long-term, sustainable, and holistic approach to fight childhood obesity in our community. Community partners, such as the Blue Springs School District, St. Mary's Medical Center, Blue Springs Family YMCA, Central Jackson County Fire Protection District and many others have signed letters of commitment to the initiative. I hope to see you at one of the many *Let's Move!* events planned throughout the year.

With this issue, we are announcing a few new sections. The "By the Numbers" section will spotlight interesting facts about different departments every issue. This section gives readers a glimpse into the day-to-day operations of the featured departments. I am also proud to announce the Community Photo and Calendar section. This section features resident-submitted photos and an at-a-glance calendar of City-sponsored events.

Two-way communication is one of my top priorities. My goal is to help people be informed, be engaged and encourage them to get involved in City issues. If you would like more frequent updates on City news, I encourage you to sign up for my newsletter, follow us on Twitter or become "fans" on our Facebook page. Links to all of these resources can be found by visiting the City's Web site.

Gratefully in your service,

Mayor Carson Ross

Let's Move! Blue Springs

On Monday, March 7, the Blue Springs City Council passed a resolution to become a *Let's Move!* city. The *Let's Move!* initiative was created by First Lady Michelle Obama and the Department of Health and Human Services as part of the nation's effort to raise a healthier generation of children.

The City of Blue Springs is partnering with StandUp Blue Springs to engage

citizens of Blue Springs to develop and implement innovative ideas for improving the health of the children throughout the community.

StandUp will facilitate two citizen-led community summits to review current wellness programs and services to determine what could be expanded, as well as generate new ideas to meet the goals of *Let's Move!* Citizens will be invited to participate in the planning and implementation of the ideas generated from these summits.

This is a great chance to get involved for anyone who has a passion for making Blue Springs an even better community. These half-day morning summits will be held on June 18 and July 9.

A calendar of events has been developed for the *Let's Move!* initiative

on the City's website. Visit www.bluespringsgov.com/letsmove for more information.

If you would like to submit an event for this community calendar, send information to letsmove@bluespringsgov.com.

Let's Move! Summits

June 18

July 9

To register, call 478-4500 or visit www.bluespringsgov.com/letsmove for more information.

13th Annual National Night Out

- August 2, 6-9 p.m.
- Downtown Blue Springs
- To volunteer or for more information, visit www.bluespringsgov.com/nno

We invite your family to join us as we celebrate the 13th Annual National Night Out event in Blue Springs!

Hundreds of families, elected officials and neighboring businesses will be stepping out in the streets of downtown Blue Springs on August 2 from 6-9 p.m. to take a stand against crime and drug abuse.

This free, community event educates children and adults about crime prevention, general public safety and the danger of drugs.

Number of permanent
potholes filled

3,696,600

Pounds of salt used

2,104,100,000

Gallons of sewer treated
at the Sni-A-Bar Sewer
Treatment Plant

10th Anniversary of Public Art

Blue Spring,
Brower Hatcher

Restless Recovery, Beth Nybeck

Sundance, Cecilia Luenza

The Blue Springs Public Art Commission was created by City ordinance in September 2000 to develop a public art program that would enhance the aesthetic appearance of the community and make Blue Springs an even more desirable place to live, work and locate a business.

Since its creation, the seven member voluntary board has brought six temporary art exhibits to the City, commissioned two major artworks, and enabled the City to integrate high quality, publicly accessible art that reflects the community's identity and vision.

The Blue Springs Public Art Commission is celebrating its tenth anniversary by sponsoring its First Annual Art Crawl this Spring. For more information about the Art Crawl, call Eleanor Frasier at (816) 655-0490.

INSPIRED VISIONS

RED Development has partnered with the Blue Springs Public Art Commission to exhibit four artworks at the Adams Dairy Landing Shopping Plaza. RED Development has committed to the inclusion of permanent artworks and murals as part of the plan for bringing a quality shopping experience to the community.

"Inspired Visions" temporary art exhibit will be on display from April to October 2011.

Arabian, Victoria Reed

Public Works Update

Sni-A-Bar Sewer Treatment Plant

Even though it has been cold and snowy, the crews have been laying pipe, pouring concrete and excavating at the wastewater treatment plant.

During the course of the winter, new aeration basins have emerged from the terrain. Process piping has been installed between the different structures connecting them together in preparation for the next steps. The reed beds are about to receive layers of sand and earth in preparation for the planting of the reeds.

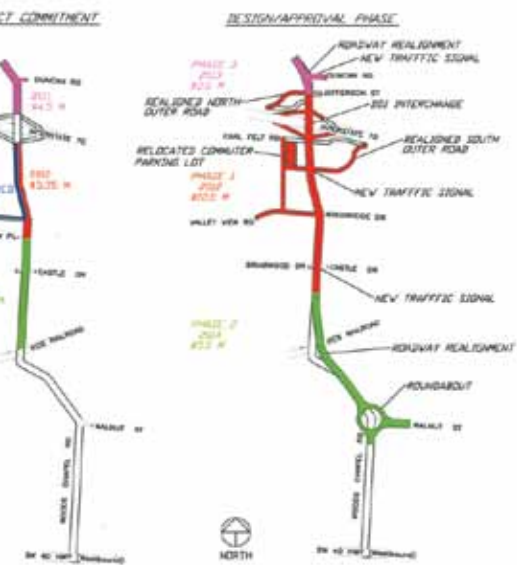

The project is a little over 35 percent complete and is on schedule for full completion in the spring of 2012.

7 Highway and Colbern Road

Jackson County has completed Colbern Road to Lee's Summit just to the west of this intersection. 7 Highway to the north was widened to five lanes in 2007. This project involves not only the signalization of this intersection, but also the improvement of all four roadways in each direction from the intersection.

This intersection is our southern entrance, and serves as a major gateway into Blue Springs.

This project is scheduled to begin construction this spring and be completed in the summer of 2012.

Woods Chapel Road

Improvements will add much needed capacity for commuters, while adding additional turn lanes, new walkways, enhanced landscaping and a bike path. This cutting-edge design will feature a diverging diamond interchange. This style of interchange increases capacity, decreases congestion and minimizes the cost of new infrastructure.

MoDot has given preliminary plan approval for the project and the City is in the easement and land acquisition process. This project is expected to break ground in 2012.

VIPS Making a difference!

The Volunteers In Police Services (VIPS) program began in May of 2008 as a natural progression from the former Non Commissioned Officer Program. This core group of the VIPS Program consisted of 10 people and ranged in age from 17 to 64. The VIPS program currently has 22 volunteers on staff. So far, VIPS members have logged 7,863.5 hours of service since the program began!

Duties include database management,

teaching training classes, crisis response and assisting Animal Control. VIPS members also assist at community events such as the Fall Fun Festival, DWI Checkpoint operations and National Night Out Against Crime.

If you are interested in joining the VIPS Program or would like more information, contact Sgt. Allen Kintz or Ed "Doc" Golden at (816) 228-0178.

VIPS members presented a check to Mayor Carson Ross for the 2010 assessed value of VIPS service to the Blue Springs community. In 2010, VIPS members logged a total of 3,829.25 hours of service that was valued by the Department of Labor at \$67,360.91!

Recycling Resources

The Pink Hill Park Recycling Center is located at 2725 NW Park Rd, Blue Springs. The center is open Wednesdays from 10 a.m. to 6 p.m. and Saturday and Sunday from 8 a.m. to 4 p.m.

Sort recyclable items by type:

- Office, shredded paper, newspaper & magazines
- Cardboard, paperboard & brown paper bags
- Phone books
- Plastics #1 (bottles)

- Plastics #2 (containers)
- Plastics #3-7 (containers)
- Aluminum cans
- Steel/tin food cans
- Glass jars and bottles

Staff is available to help and answer your recycling questions. For more information visit www.bluespringsgov.com/recycling or call the recycling hotline at (816) 228-0228.

Glass Recycling — Glass recycling is available 24 hours a day at the Price Chopper North in the “Ripple Glass”

purple bin. Glass is also accepted at the Pink Hill Park Recycling Center.

Unusual or Large-Item Recycling or Disposal — Visit www.recyclespot.org or call (816) 474-8326 for more information.

Top 10 Spring Codes Tips

2. Tree Limbs

Limbs that overhang the sidewalk or street must be trimmed. Call Public Works at (816) 220-0121 if you have questions about limbs in the rights-of-way of streets.

3. Brush Piles

Brush piles must be removed and properly disposed of. Open burning is not permitted within City limits.

4. Trash Containers

Trash for pick up should be placed no further than 5 feet from the home. Curbside pick up is prohibited. All trash must be contained at all times.

5. Inoperable Vehicles

Must be stored inside a garage or removed from the premises. For inoperable vehicles in the street, contact the Police Department at (816) 228-0150. Commercial vehicles weighing more than 6 tons, boom and tow trucks are not permitted in residential districts.

1. Resident Lawns

Lawns should not exceed 8 inches in height. Eradicate any poison ivy on the premise of your residential property.

6. Parked Vehicles

Parking of cars and trucks is not permitted on grass and lawns. Recreational Vehicles (RV's) can be stored in driveways, side yards or rear yards if access is available.

7. Fence, Deck and Pool Construction

A new deck, fence or pool construction requires a City building permit. All pools holding 24 inches of water or more, including inflatable pools, must have a permit from the Codes Administration Department.

8. Garage Sale Signs

Garage and yard sale signs must be placed on your own property. They may not be posted on public utility/light poles or on public rights-of-way of streets. These signs do not require a permit. Signs cannot be posted on premises for longer than 3 days per sale.

9. Home Childcare Businesses

All in-home childcare businesses require a business license issued by the City of Blue Springs. Business licenses can be obtained at City Hall.

10. Disposal of Refrigerators

When disposing of refrigerators or airtight containers, always remove the container door or secure the door with a chain and lock.

City Fireworks Display at Peve Stadium

This event is a great way for our community to come together to celebrate our nation's independence.

- **Monday, July 4, 2011**
(in case of inclement weather - Tuesday, July 5)
- **Blue Springs High School Peve Stadium**
2000 NW Ashton Drive
- **Gates open at 7:30 p.m.**
Live entertainment from **8-9:30 p.m.**
- **Fireworks display will begin around 9:30 p.m.**
- Concessions are available
- Watching a professional fireworks display is a safe way to enjoy the holiday - and it's free!
- Sponsored by the City of Blue Springs

Help your Family have a fun and safe July 4 holiday!

Be Legal - Observe Legal Hours of Fireworks Discharge

- July 1-3, 10 a.m. to 11 p.m.
- July 4, 10 a.m. to Midnight

Think Safe - Use City-Approved Fireworks Only

- Includes fireworks sold by the licensed nonprofit organizations in Blue Springs only
- Discharge of bottle rockets are prohibited

Play Smart - Always Have an Adult Present

- Avoid discharging fireworks in dry areas
- Do not discharge fireworks around pets or animals
- If burned, observe proper burn care and call 911
- Visit www.fireworksafety.com for more information

BE A GOOD NEIGHBOR & Celebrate Smart this Independence Holiday

Help Keep Your City Clean!

Be kind to your neighbors and the environment by disposing of all debris after discharging fireworks.

Arbor Day “Tree-Ching!”

Have you ever wondered how much a tree is worth? You know that trees are great, but what if you could assign a dollar value to an individual tree?

Join us on April 23 from 10 a.m. to 1 p.m. for an Arbor Day Walk at Rotary Park at Railroad Lake to learn about the value and benefits of urban forests.

Year-round price tags will be placed on trees in Rotary Park showing their value using the National Tree Benefit Calculator. This calculator uses each tree's location, species and size to estimate the monetary benefit it provides each year by managing storm water, improving air quality and reducing energy usage.
