**Blue Springs Day Camp
Counselor-in-Training Application**

Thank you for your interest in the Blue Springs Day Camp’s Counselor-in-Training program! The Counselor-in-Training program provides a unique opportunity for motivated young people to learn leadership skills while working with campers under the guidance of experience, paid employees. Selected candidates assist camp staff with daily camp duties including assisting with supervising campers, prepping materials, and leading games and activities.

Spaces are limited and CITs will be considered on a first come, first served basis. **An application to the CIT program does not guarantee acceptance into the program.** It is our hope to provide the camp environment and the campers with the strongest possible CIT participants.
